

Buying Process

1. Send us your inquiry
Submit your request through our contact form with the vehicle you are interested in.
2. We contact you within 24 hours
Our team reviews your request and gets back to you quickly.
3. We contact the seller directly
We inform the seller that one of our clients is interested in the vehicle and begin discussions.
4. Vehicle availability & document verification
We confirm the vehicle's availability and ensure the seller has the proper ownership and vehicle documentation.
5. National or worldwide transport arrangement
We coordinate transportation with trusted shipping partners.
6. Administrative and export documentation
Our team manages all the required export paperwork.
7. Vehicle delivery
Your vehicle is shipped by the freight forwarder closest to the seller, depending on availability.
